& Co-Founder, Four Pillars Gin

## Gin in Australia

*“The gin category continues to boom... with many new local entrants ... consumers show no signs of stopping to explore new gin brands.”*

IWSR, 2018

Locally made gin now represents 14% of all gin consumed in Australia.

## Gin from Australia

*“Aussie Gin is so bold,  
so big and so bonkers  
and we love it so  
infinitely that the  
journey is more than  
worth it”*

# Four Pillars Bloody Shiraz Gin

37.8% ALC/Vol

## Method

Cool climate Victorian Shiraz grapes steeped for eight weeks in Four Pillars Rare Dry Gin, the pressed and bottled unfiltered with no added sugar.

## Tasting Notes

Unique each vintage. The palate is lovely and sweet, with long juniper and spice characters to finish.

## Accolades

**"The mad scientists at Four Pillars have dreamed up a gin infused with the flavours of shiraz..."**
